SAHUARO RANCH PARK HISTORIC AREA SEEKS ASSISTANT AND VOLUNTEER HELPERS

Glendale, Ariz. — An open house will be held at the Sahuaro Ranch Park Historic Area from 10 to 11 a.m., Saturday, Oct. 12 in the Fruit Packing Shed of the historic section located at 9802 N. 59th Ave.

During the open house, current volunteers will be recognized for their valuable contributions to the historic park. Those interested in volunteering and supporting the landmark can attend to gather information on needs, opportunities and involvement.

Currently, the most needs are for tour guides, school group leaders, special event assistants and rose garden helpers. A brief slide show, time to meet and greet, refreshments and a tour of the ranch's highlights will be included.

Preserving one of the Valley's oldest and most magnificent ranches, the 17-acre Sahuaro Ranch Park Historic Area features 13 original buildings from the 1890s, a rose garden, barnyard and historic orchards. Listed on the National Register of Historical Places and known as the "Showplace of the Valley," the Sahuaro Ranch Park Historic Area offers activities, exhibits and guided tours—keeping the history of early settlement in the Valley alive.
